

Grading Rubric

"Calculate" App

- 2 Has 2 EditTexts (or inputs)
- 2 Has 2 Buttons (or actions)
- 2 Has 2 TextViews (or outputs)
- 1 Compiles
- 1 Runs/Works

Additional remarks

Additional: interesting calculation, nice layout

Looks awesome and I'd only suggest making the score text larger.

Base(80) + additional(15) = 95%
